Hummersknott Academy Trust incorporates Hummersknott Academy and Skerne Park Academy and unless otherwise stated this policy and procedure applies to all Academies equally. This policy relates to Hummersknott Academy only.

## **PURPOSE**

- **To improve learning through the provision of high quality assessment and feedback**

In order to achieve this, our policy and practice must address the fundamental questions our students should ask:

***'If I am a student in your classroom, how do I know how well I am doing? How do I know how well I could be doing? How do I know what I need to do next time to improve?'***

## **SCOPE**

The standards detailed in the procedure are the minimum core standards which are followed throughout the Academy. Students should know how we mark their books, what we are correcting, what our feedback will look like and how we assess their progress. The active involvement of students in their own learning, coupled with effective feedback, are powerful tools in the development of both student motivation and self-esteem. It is crucial to the learning process that students understand how to improve.

This policy links with values 1 – Academic Excellence, 2 – Outstanding Provision and 3 – Nothing but the best for all, of Hummersknott Academy Trust's Vision and Values.

## **RESPONSIBILITY**

This policy will be reviewed and updated where necessary by the Assistant Principal Performance Management and Self Evaluation and approved for adoption by the Curriculum and Standards Committee.

## **PUBLICISING THE POLICY**

A copy of this policy and related procedure will be available on the Academy's website and the X Drive. Staff will be advised of amendments to this policy via the Staff Bulletin and are expected to familiarise themselves with the content.

## **POLICY STATUS**

This is a non-statutory policy.
